Brinks Bull Sale Breaks Industry Records.

The 1983 Brinks Bull Sale was the first of any breed to exceed \$2 million. Showing the strength of the Brangus Breed, 69 buyers purchased 85 lots for an average price of \$25,682. Total sales grossed \$2,182,950 setting many records.

Buyers from 16 states and Mexico included Brangus breeders purchasing herd sire prospects for their registered Brangus herds; Angus breeders purchasing certified 1/4 blood bulls (1/4 Brahman, 1/4 Angus) to breed to their registered Angus females to produce first generation Brangus (1/2 Brahman, 1/2 Angus); and commercial cattlemen purchasing Brangus and 1/4 blood bulls

for their commercial herds. The demand for Brinks genetics was greater than ever from all segments of the cattle industry. More important, this demand showed the direction the commercial cattle industry has taken in the last few years in the purchase of Brangus breeding stock.

This is Brinks Brangus 15th year of breeding purebred Brangus cattle. They wish to invite all cattlemen interested in Brangus, from throughout the United States, to attend and help them celebrate their 15th Anniversary dinner, sale and dance.

BRINKS 15TH ANNIVERSARY SALE

Saturday, June 11, 1983

Never before in the history of the Brangus breed has such a powerful group of females been offered in a production sale.

Many of the females selling in Brinks Brangus 15th Anniversary Sale are the dams, grand dams and maternal sisters of the bulls that sold in Brinks' record setting \$2 million bull sale.

Included are the dams, grand dams and sisters to the current, reigning 1983 International Grand Champion Bull, Extra of Brinks and the 1983 International Grand Champion Female, Miss BB Tiny 302N6

The Sale will be held at Shelton's Comanche Trace Ranch in Kerrville, Texas at 6:30 p.m. Shelton's Comanche Trace is located 1.3 miles south of the junction of Loop 534 on Highway 173. Brinks Brangus 15th Anniversary Sale will be held during Brangus Days in the Hill Country which includes the International Futurity, The Miss America Sale and Top of the Crop Sale.

BLESS & BURN, TH' REAL DEPRESSION

Those of us who grew up during the Great Depression have for many years had a great deal of fun telling each other about just how it was in them Good Old Days and we speculate on just how the past couple of generations would react if they ever were exposed to really tough times like the early 1930s. Occasionally some of the present crop of folks in the livestock business eye us, with about the same suspicion they would a snake oil peddler when we remind 'em of times when slaughter cows sold for 15 cents or 25 cents per hundred and times when Fort Worth commission men debated what to do about a load of cows from a distance from market arrived and were sold and the railroads, of course, skimmed off their freight first and there was just enough money left to pay yardage and commission, but the problem was whether they had nerve (CONT. John Armstrong Is Named For Golden Spur Award

Lubbock - John B. Armstrong, executive vice president of the King Ranch in Kingsville, Texas, has been named 1983 recipient of the National Golden Spur Award.

The award is presented annually to an individual who has made significant contributions to the ranching and livestock industry in both humanitarian and scientific ways.

Armstrong will be the sixth to receive the coveted Steuben-designed, gilded OK spur encased in a crystal presentation piece. He will be honored during the National Golden Spur Award and Prairie Party Sept. 16 in Lubbock.

Sponsors for the national award are the American National CowBelles, the American Quarter Horse (AQHA), National Cattlemen's (NCA), National Wool Growers, Rangeland Heritage (RHA), Texas Sheep and Goat Raisers and the Texas and Southwestern Cattle Raisers associations.

A committee, representing each association, selected Armstrong from among 10 nominees. Armstrong was nominated by the Texas and Southwestern Cattle Raisers Association. The announcement was made by Harold P. "Bo" Brown Jr., chairman of the Rangeland Heritage Association.

Fed Cattle Mostly Lower, Hogs Posted Gains On Monday

At the central markets on Monday the trade on fed steers and heifers was lower at most of the markets. Market supplies were a little higher than a week ago and the estimated cattle kill Monday was 2,000 larger than a year ago and about 8,000 larger than a year earlier. Buyers were cautious although the early returns on the carcass beef trade indicated mostly steady prices. Slaughter cows at these markets were mostly steady at best and a few points were lower and bulls were little changed.

Hogs found steady to sharply higher prices, especially in the western corn belt. Monday's market supplies were

Heavier, Flashier Feeders With Feedlot Buyers as Quarters Feed Costs, Long Term Market

BY TED GOULDY.

The first big test of the market for feeder cattle coming off wheat took place Monday at the Amarillo livestock market when an estimated 18,000 head for a three-day sale was reported. Manager Phil Fletcher told The Weekly Livestock Reporter Tuesday morning that it appeared the break in the feeder prices established Monday appeared to be about the extent of the decline for the present. "The attitude of the buyers was this adjustment appeared to get prices about in line with the demand," Fletcher said, and little if any additional weakness was anticipated. The movement off wheat is expected to peak in the next two or three weeks all over the wheat belt.

The flashier feeders were moving to better advantage than the lighter and thinner kinds, Fletcher reported, which apparently indicated that feeder buyers preferred to buy the flash on the cattle. There is the question of feed costs and also the idea that flashier cattle will take a shorter turn in the feedlot and perhaps the fat market will be better when the cattle are ready. The prospects long term for the lighter feeders is more of a question," Fletcher said, the following is the report from the Federal-State Market News on the

Brangus Futurity Draws Near, June 9-10-11
Excitement is rapidly generating as the "Brangus Days in the Hill Country" approaches. The events, featuring the International Brangus Futurity, are scheduled for June 9, 10, and 11, 1983 in Kerrville, Texas according to Jerry Morrow, International Brangus Breeders Association (IBBA) Executive Vice-President.
The festivities will get underway Thursday, June 9, with the Pierce Calf Fry Party at 6:30 p.m. in Hay's Park.
The highlight of the Brangus days will be the Thirtieth Annual International Brangus Futurity Show on Friday, June 10. The 8:30 a.m. show will be held at the Kerr County Fair Barn with Glen Klippenstein, Mayville, Missouri, judging the open show cattle and Jake White, Colorado Springs, Colorado, evaluating the junior show futurity show cattle. Friday's events will close with the "Miss America and Western Art Sale" party at 5:30 p.m. and the sale at 6:30 p.m. at the RiverHill Country Club. The prestigious "Brangus Breeder of the Year" award will be presented prior to the sale.
A Champagne Brunch at 10:00 a.m. will kick off the activities on Saturday, June 11. The brunch will be followed by the "Top of the Crop Sale" at 11:30 a.m. with both events to take place at Kerr County Fair Barn.
Brinks Brangus will host the event of the weekend, Brinks 15th Anniversary Dinner and Sale at 5:30 p.m. and 6:30 p.m., respectively. Shelton's Comanche Trace Ranch will be the site of the dinner and sale.
Headquarters for the weekend are the Inn of the Hills Motel, Kerrville, Texas. Additional information can be obtained by contacting the IBBA, 2811 Tioga Drive, San Antonio, Texas 78204, phone 512/690-8231.

Simmental News

Texas Jr. Simmental Assn. Futurity Was A Huge Success

Junior from across the state recently converged on Hillsboro, Texas to compete in the 1983 Texas Junior Simmental Association Heifer Futurity.

The Futurity, held April 16 and 17, consisted of several events including a Herdman Quiz, a National Sire Summary Quiz, Judging Contest with Oral Reasons, Individual Heifer Competition, Showmanship, a Sales Presentation, and a Team Heifer Competition.

The Herdman Quiz covered a broad range of questions dealing with such topics as genetics, nutrition, reproduction, herd health, and the beef industry in general. The National Sire Summary Quiz required the junior contestants to be able to read and interpret the data in the performance based Sire Summary of the Simmental breed. One of the more popular events was the sales presentation in which each junior led his heifer to the judge, acting as a potential buyer, and attempted to sell the heifer.

Beautiful belt buckles were presented to winners of each event in both a junior and senior division, high point overall winner in the junior and senior division, and reserve high point overall winner in the junior and senior division. Also awarded trophy buckles.

The high point team in the overall competition was made up of: Michelle

were each member of the overall high point team and each member of the team heifer competition.

Janalyn Downing of Gustine won high point senior individual honors for overall competition while Cindy Smart of Hico took home the reserve high point senior individual buckle in the overall competition. Michelle Taylor of Stephenville and Donnell Brown of Throckmorton were named high point and reserve high point junior individual winners, respectively, in the overall competition.

The high point team in the overall competition was made up of: Michelle

Junior Division Individual Winners: Melissa Hubbard, Gregory Chovanec, Donnell Brown, Penny Basham, Michelle Taylor. The junior division event winners included: Janalyn Downing - Individual Heifer Competition; Carrie Basham of Stephenville - Showmanship; Dennis Gann of Bay City - Herdman Quiz; Cindy Smart of Hico - Sire Summary Quiz and Sales Talk; and Whitney Ralinger of San Antonio - Judging Contest and Oral Reasons.

Senior Division Individual Winners: Whitney Ralinger, Janalyn Downing, Dennis Gann, Cindy Smart and Carrie Basham. The senior division event winners included: Janalyn Downing - Individual Heifer Competition; Carrie Basham of Stephenville - Showmanship; Dennis Gann of Bay City - Herdman Quiz; Cindy Smart of Hico - Sire Summary Quiz and Sales Talk; and Whitney Ralinger of San Antonio - Judging Contest and Oral Reasons.

Simmental National Conference Stated For July 13-15

Bozeman, MT. For the first time the American Simmental Association will hold a meeting of national representatives in the Northwest. The organization's ninth Annual Summer Conference will be held in Pasco, Washington, July 13-15. The Red Lion Motor Hotel will serve as Conference headquarters. "It has long been our tradition to rotate the sites of our meetings to various locations," said ASA Executive Vice President Earl B. Peterson. "The 1977 Summer Conference was held in Yellowstone, Montana and the 1978 Annual Meeting and Convention was in Reno, Nevada, but this is the first time for a meeting in the Northwest section of the U.S. Those who reside in Oregon, Washington, Idaho and other areas will have an opportunity to participate in the discussion on current issues in the Simmental cattle and ASA." Norm Hayes, ASA Trustee in Charge of the Planning Committee pointed out that a new format will be employed in conjunction with the 1983 Summer Conference. "We are very interested in the educational features of the event," he said. "In the past, we have had meetings around the concept of a vacation, but have changed our approach to include the learning of livestock attractions located nearby. Guided bus tours will deliver Simmental producers to such locations as feedlots, packing plants, irrigation projects, and wineries. In addition, special ladies bus tour will take in the famed woolen mills at Pendleton, Oregon.

"We are also looking forward to having a number of outstanding speakers," said Hayes. "Dr. Baxter Black, a consulting veterinarian, is one of the impressive, humorous philosophers we could ever hear. George Spencer, ASA Executive Vice President of the National Cattlemen's Association, who now with Iowa Beef Packing and Don Gaunt, General Secretary of the Beef Simmental Society will also be on hand for all or some part of the Conference. Gloria Campbell, a consultant and trainer in communications will lead a ladies' workshop entitled, "The Feminine Collage: Today's You". Social activities, planned and coordinated by the co-hosting Oregon and Washington Simmental Association will include a steak fry, a sweater breakfast and a banquet. Persons needing additional information are instructed to contact the American Simmental Association, One Simmental Way, Bozeman, MT 59714, telephone (406) 587-4581.

Simmental National Sale Set For 1984

Bozeman, MT. For the first time since 1976, the American Simmental Association will again designate and conduct a National Sale. The event is scheduled for January 19, 1984 and will be held in conjunction with National Western activities in Denver, Colorado. Trans Livestock Services, Inc. has been selected as the sale management firm. The Board of Trustees has decided to relocate the National Sale to the Western area of the United States.

Diamond C Ranch Simmentals Go For \$234 Average

The Diamond C Jubilee Simmental Production Sale was held May 13, 1983 in Stephenville, TX. Seventy two lots of Simmentals were sold for an average of \$234. Top seller was an October 1982 18/16 horned heifer calf sired by Lacombe M825. The dam was the grand champion cow at this year's National Simmental Show in Fort Worth. The calf bryo out of a Signal dam. For more information, contact American Cattle Services, Inc., Chattanooga, OK 73528, 405/335-3006.

Second top seller was one half in-calf born April 1980. Miss Diamond C M221 was sired by L. Orlando and out of GW Miss Signal 2663. This calf was transferred prospect also sold to Diamond H Simmental of Plano for \$7000. Third top seller was Miss Diamond C-P466, an open purebred 7/8 horned cow sired by Signal and out of GW Achilles 202H. This April 1982 calf sold to KBJ Ranch, Zenle, OH for \$6500.

Topping the bulls was Mr Diamond C-P265, a horned purebred Simmental sired by Signal out of GW Miss Gallant K408. A March 1982 bull that went to Diamond H Simmental for \$4000. There was a very active bidding crowd and an excellent set of cattle that were well presented. Auctioneers Joe Mitcham and Charles Rollins.

Simmental Youth Event Scheduled For Louisville

Bozeman, MT. Junior members of the American Simmental Association, their families and advisors will gather in Louisville, Kentucky June 12-15 for the 1983 "Summer Classic". "The Classic is the number one event of the year on our junior calendar," said ASA Executive Vice President, Earl B. Peterson. "It has been designed to combine the elements of competition, educational programs, interaction with other Simmental breeders and recognition for achievement. The program has proven to be both unique and effective". Planning for the event is shared by the host Kentucky Simmental Association and the American Simmental Association's Youth and Education Committee, which is chaired by ASA Trustee Jim Mitchell of nearby Georgetown, Kentucky.

"The Classic will feature team and individual competition in a variety of areas," Mitchell explained. "The schedule includes Public Speaking, a Fire Summary quiz, Judging of Livestock, a Herdman quiz, Heifer Competition, a Showmanship Contest and other related activities". "The American Simmental Association's youth program has traditionally emphasized educational and informational aspects of the beef industry," Mitchell explained. "Presently we have nearly 3,000 junior members nationwide. Classic headquarters will be at the Executive Inn, located near the Kentucky Fair and Exposition Center, which will serve as the location for all cattle events.

Southwest Pinzgauer Association Field Day a Success

A large crowd was in attendance for the Annual Southwest Pinzgauer Association Field Day, May 14. The field day was held at the facilities of the Henderson County Beef Breeders Association in Athens. The association had four outstanding speakers for the program.

Horace McQueen, farm and ranch reporter for KLTU in Tyler and a local beef breeder, provided significant insights into successful bull marketing. Also, McQueen spoke on beef cattle advertising and promotion. He encouraged Pinzgauer breeders to become involved in state and federal decisions that impact beef breeders in the Southwest.

W. J. Sparks III, President of the American Pinzgauer Association and member of the Board of Directors of the Southwest Pinzgauer Association, reported on the activities of the national Pinzgauer organization. He also reviewed the Pinzgauer cattle registration requirements and costs. Sparks, the only individual to be elected to a second term as President of the American Pinzgauer Association, reminded members that the National Sweepstakes has been renewed for 1983 and members do not have to be present to win. Fifty cents of each registration fee goes to the sweepstakes and will be awarded at the national show and sale in Denver, Colorado, in January 1984. Dr. Dan Scott, a Southwest Pinzgauer member, won the 1983 Sweepstakes which was \$950.

Dr. Lee McKellar, owner of the McKellar Ranch in Mt. Pleasant, Texas, outlined the history of Brahman cattle and their impact on beef production in the Southwest. He shared with the SWPA membership his views concerning modern beef marketing. Dr. McKellar also explained his embryo transplant program and how it could benefit Pinzgauer

Pinzgauer Awards Presented At Meeting

The Southwest Pinzgauer Association presented awards to three individuals at the association meeting at Athens, Texas, on May 14, 1983.

Woodie Talbot, Hi Point Ranch, New Boston, Texas, received the 1982 Premier Breeder Award. Ms. Talbot was also elected President of SWPA for 1983-84. Todd Reidhead, Soper, Oklahoma, was recognized as the Commercial Breeder of the Year. Reidhead runs 250 commercial cattle and in 1982 began using Pinzgauer bulls.

John Thorne, Colfax, Texas, received the Rookie Breeder of the Year award. In 1982 Thorne began building a small herd of fullblood and purebred Pinzgauer cattle. He now has five fullblood females, a fullblood bull calf, and two purebred females.

Dr. Randall Grooms, Texas Agricultural Extension Service at Overton, Texas, explained the function and importance of beef cattle in the American marketplace. Additionally, Dr. Grooms shared his ideas regarding the need for purebred cattle in the Southwest cattle herds. He emphasized the purebred cattle operations can and should be financially profitable. Dr. Grooms stated that if breeding three elements must be present: Profit, Performance, and Pleasure.

Longtime Pinzgauer breeders, along with ranchers new to the breed, and guests discussed the impact of Pinzgauer cattle on the beef cattle industry and view a large number of cattle on exhibit for the event.

The traditional covered dish luncheon was one of the highlights of the activities.

SOME IDEA of inflation comes from seeing a youngster get his first job at a salary you dreamed of as the culmination of your career.

Southwest Pinzgauer Elects New Officers

The Southwest Pinzgauer Association elected officers for 1983-84 at their annual field day on May 14, 1983, at Athens, Texas.

Woodie Talbot, Hi Point Ranch at New Boston, Texas, was elected President. Ms. Talbot has long been active in raising and promoting Pinzgauers and has had several prize-winning animals in local and national shows.

Marie Hooper, Kiwi Ranch, at Tyler, Texas, was elected secretary-treasurer. Ms. Hooper has actively supported the SWPA through her efforts with the annual SWPA field day.

New directors elected included: Dave Dove, Colfax, TX; Bob Sullivan, College Station & B.J. Cooper, Mead, OK.

Regional Pinzgauer Show at East Texas Fair, Tyler in 1983

In October of 1982, shortly after the East Texas Fair, Bob Sullivan, President, S.W.P.A., mailed a questionnaire to all breeders and exhibitors who participated in the 1982 S.W.P.A. Show. He received a response from a majority of the exhibitors and breeders and those were invariably strongly positive regarding the Show and Pinzgauer Exhibit.

The S.W.P.A. Executive Committee has tentatively arranged with the East Texas Fair to present the S.W.P.A. Regional Show and Exhibit in 1983 with a format similar to that which was felt to be so successful in 1982. The Show Committee will be appointed at the May Membership and Board of Directors Meeting to be held in Athens, Texas. Sullivan asked that all prospective exhibitors begin to select and fit their animals now for this first major show of the 1983-84 winter circuit.

Pinzbah's To Be At Brahman Clinic

Dan Scott, president of the American Pinzbah Association announced that two pens of F1 Brahman-Pinzgauer heifers will be on display at the annual Brahman Clinic IX to be held August 10-13 in Rosenberg, TX.

Scott said that "this show and sale will be a show case event to present Brahman-Pinzgauer crosses to the public as they are the foundation for our Pinzbah breed."

Ms. Woodie Talbot of New Boston, TX, is the new president of the Southwest Pinzgauer Association. Ms. Talbot is a very successful Pinzgauer breeder and has won several shows including a reserve grand champion bull at the National Western Stock Show.

'83 S.W.P.A. Premier Show And Exhibit Set

Plans for the '83 S.W.P.A. Premier Show and Exhibit have been finalized with the East Texas Fair Board for September 28th through September 29, 1983. Arrangements include a premium barn location, unlimited exhibit animal space, additional show classes to include cow/calf performance, get of sire and showmanship.

The S.W.P.A. Show Committee urges all interested Pinzgauer and Pinzbah breeders to select and begin fitting any good show prospects now. Details will be discussed at the S.W.P.A. Meeting May 14th in Athens, Texas.

American Pinzbah Hold First Meeting

The American Pinzbah Association held their first meeting at a dinner ses-

Dr. Randall Grooms of the Texas Agricultural Extension Service at Overton, TX, was one of the speakers at the Southwest Pinzgauer Association Field Day, May 14, 1983.

President, Dan Scott, conducted a meeting which saw Frank Terry Edinburg elected vice president and Bob Sullivan of College Station secretary-treasurer.

Directors elected were: Ken McModena, CA; Matt Free, Garfield, TX; and Dr. Lee McKellar, Mt. Pleasant, TX. Matt Free is to serve as the secretary.

SWPA Encourages Youth Participation

In an effort to encourage youth participation in the raising of Pinzgauer cattle, the SWPA will provide \$100 to any youth who wins a local event with a Pinzgauer male or female. Local breeders are encouraged to work with the area youth in selecting and financing a Pinzgauer animal.

Pinzgauer Assn. Elects Publicity Committee

The Southwest Pinzgauer Association, at its annual meeting on May 14, selected John and Carolyn Thorne chairpersons of the SWPA Publicity Committee. Also selected were: B. J. and Mary Cooper, Oklahoma reporters; Jerry Dunn, Arkansas reporter; and Matt Free, Pinzbah reporter.

The primary responsibility of this committee is to gather and provide Pinzgauer news to the Weekly Livestock Reporter. In addition, the committee will assist the SWPA members in developing articles for local publications.

The Pinzgauer Publicity Committee urges all breeders to send articles and photographs to the Committee to be forwarded to the Weekly Livestock Reporter for publication. The committee's main goal is to reflect to the general public the quality and success of the Pinzgauer cattle and breed in the Southwest and to encourage other breeders to consider the benefits they would receive from the integration of Pinzgauers into their herds.

John and Carolyn need the information by Monday of the second week in each month. Articles can be sent in outline form or ready to print to: John M. Thorne, 1509 Charleston, Garland, TX. 75041, or call 214-278-9738.

Best Of All Breeds Club Calves Avg. \$605

The new kids on the block hit a home run in the second half of the Double Header Weekend, April 10 in Hillsboro, TX. The Best of All Breeds Club Calf sale grossed \$80,250.00 on 50 lots for \$605.00 average.

Gala Celebrations, Horizons Conference Mark Angus Centennial

The American Angus Association will be host to Angus breeders from throughout the United States and many parts of the world September 18 and 19 at the organization's official 100th birthday celebration in St. Joseph, Mo., reports Dick Spader, executive vice president. Some 1,500 people are expected to attend.

This program includes tours of the Association's national headquarters on Friday afternoon, Sept. 18, followed by a steak barbecue and Larry Van Dyke concert that evening in a large circuit tent in back of the Association headquarters.

Saturday will be the Angus Horizons Conference with outstanding guest speakers, a special audio-visual presentation and other ceremonies. The conference program will be designed, Spader said, to give Angus breeders a review of the past, an overview of current conditions in the industry, and a look into the future, to help Angus producers plan more effectively to meet the needs of the cattle industry at the close of the 20th Century and beyond.

Guest speakers at the Horizons Conference will be Dr. Robert Long, Texas Tech University, who will look into the future and give a preview of the cattle industry in the years ahead.

Oliver Hansen, president of the Liberty Trust and Savings Bank, and a registered Angus cattle breeder from Durant, Iowa, will offer a banker's view on the changing economy and how it will affect the cattle business.

How to use genetics and sales evaluation records to design a profitable breeding program will be outlined by Dr. Danny Fox of Cornell University. The business end of the beef industry - cattle feeding, will be discussed by Dr. Robert Hillier, general manager of Master Feeders II of Garden City, Kansas. A challenge to registered Angus cattle breeders will be issued by Dave Pinger, manager partner of Black Bull Cattle Co., Benton, Mississippi.

The program will conclude with a gala banquet and ball Saturday evening, Sept. 19 at St. Joseph's Motor Country Club. All people interested in the cattle business are invited to attend the celebration and conference. Room reservations in St. Joseph for these two nights (Sept. 18-19) must be made through the American Angus Association, and a \$25 room deposit is required. Advance registration for the Conference is also advised. The registration fee prior to August 1 is \$50. For information and registration blanks people should contact the Association, 818/288-8101.

Another activity at the 100th Anniversary celebration will be a meeting of the World Aberdeen-Angus Secretariat. This will bring together leaders of other Angus associations and societies from all over the world.

Southwest And South Central Chianina Forms Small Circuit For Juniors

The Southwest Region and the South Central Region are planning their junior heifer and steer shows during the same week to form a small circuit for the junior exhibitors. A total of \$13,400 is being offered for the two events. Promotions will be paid at the shows in each of these two regions.

The South Central Region show will be first, starting on June 3, 1983, in Shawnee, Oklahoma. Cattle must be in place by noon on June 3. The heifers will show at 6:00 p.m. on that day, and the steers will show the following morning at 9:00 a.m.

Headquarters for the event is the Cinderella Motel in Shawnee, phone (405) 273-7010. Duane Harrell of Leedey, Oklahoma, is the chairman for this show. He can be contacted at (405) 488-3833.

The Southwest Region show will begin on Monday, June 6, with the heifers showing at 6:00 p.m. Once again the steers will show on the following day, June 7, at 9:00 a.m.

Charles Burk of Panhandle, Texas, (808) 537-5125, is the chairman of the Southwest event. The headquarters is the Royal Inn, Hwy. 80 West, Abilene, Texas, phone (817) 692-3022.

All steer classes will be determined by weight. Limit is 900 pounds. Ear tags will be used for animal identification.

Age requirements for the heifers are born before May 1, 1981, through December 31, 1982. This will allow older heifers to be shown at these two shows.

South Central Chianina Plans Queen Contest

The South Central Region is planning to hold their regional queen contest during events at the regional junior heifer show, at Shawnee, Oklahoma, on June 3-4, 1983.

Entry fees are \$25 per head before May 10. Late entries will be accepted for an additional \$10 per head.

Mize Supports Chianinas At Texas County Fair

For the past eight years, Walter G. Mize's Ranches has either purchased or strongly bid on every Chianina-cross steer at the Johnson County, Texas Fair.

Besides supporting the breed at the auction of steers, the Mize firm also offers a \$250 cash award to the exhibitors showing the grand and reserve grand champion, if they are Chianina crossbreeds. In the event that the steer

was sired by one of the Walter G. Mize bulls, the exhibitor receives an additional \$500.

The 1983 Johnson County Junior Livestock Show and Youth Fair proved to be a good one for Chianina crossbreed exhibitors, as seven of them were purchased by Mize for a total of \$10,300.

In addition, the reserve grand champion was bred by a Mize bull. Lucky Jenny Vincent of the Bethany 4-H Club showed the reserve grand champion steer, and won the \$500 plus the \$250 offered by Mize. Her steer also brought

\$2,400 when sold at auction. The Mize firm, located in several counties, will be able to offer same awards to the youngsteers at the Erath County Fair next year. In the past, the firm has continuously supported the steers at the Erath event.

Range Bulls ...For the 80's

Cattlemen of the 80's will survive if they can discipline themselves to forget tradition and make sound economic decisions by accepting change. Producing beef is a business and today's unforgiving economic situation won't allow costly mistakes.

The range bulls of the 80's won't be pretty or pampered and the job that they do will be scrutinized even harder by the business men raising cattle. Those bulls must breed cows in all types of environments and produce live calves that grow fast and wean heavy. We have a large selection of Chianina Range Bulls for sale now, in singles or truck loads, and you'll be happy with the price. These bulls will do the job and you can survive the 80's.

Chianina Junior Scholarship Fund Formed

The American Chianina Auxiliary has founded the ACA Junior Scholarship Fund.

To help the program get underway, the Ladies' Auxiliary has announced plans to sell, at auction, a limited edition of bronze Chianina heifer statues. Well-known Chianina artist Galen Struve was commissioned to sculpture the statue.

Stanley Stout, auctioneer, will sell fifteen bronze statues at public auction on July 9, 1983, at the banquet during the ACA National Junior Heifer Show in Platte City, Missouri, in conjunction with the dedication of the new ACA building.

The fifteen bronze Chianina heifers, signed and numbered, have been designed to complete a matched set of the fifteen bronze bull statues which

were sold at auction during the 1981 National Western in Denver. The bronzes averaged \$3,910.

The proceeds from the sale of these bronze heifers will determine the initial deposit and inaugurate the ACA Junior Scholarship Fund.

The purpose of the ACA Junior Scholarship Fund is to assist ACA junior members with their educational

endeavors. Whether it is in the field of agriculture, veterinary medicine, or otherwise, the American Chianina Auxiliary wishes to assist and encourage our junior members to pursue their goals.

We hope all ACA members will be able to attend this year's National Junior Heifer Show and the dedication ceremonies. We ask for your enthusiastic support and bid at the bronze heifer auction in order to help make a

Hay King Round Bale Equipment

K&M Mfg. Co., Inc., is manufacturing HAY KING round bale equipment. Making a two-lira bale wagon that mechanically drops one bale at a time. The neck type and bumper pull will dump all types of bales. Bales fall in normal position when dumped. These wagons are easy to load because they load from the end and bales are cradled deep. These wagons are built to carry the heavy bales that the balers will be making.

HAY KING 30-8 Bale Spike is a highline spike on a 3-point hookup that will load the HAY KING wagons, flat bed trucks. Also drops bales in loaders, and will stack two high on ground.

enough to bill the rancher for the feed. In these cases they usually ate the feed bill, figuring if they billed the cowman, he might catch the next train for Cowntown and shoot somebody.

This week the publication of USDA called Farm Paper Letter presented this article and we thought some of you those times and regale some of your young ones with what tough really was. Here it is:

The Way Grandpa Remembers It, the Depression was at its worst in 1938. And in many ways it was. But in other ways, it was a year that farmers were recovering.

Wheat, for example, was selling for 74 1/2 cents a bushel. Not too much, but cents average farmers received in 1938. Same thing for other grains. Corn, at only 81 1/2 cents in 1938, was up to 62 cents in 1939. Rye brought an average

of 82.7 cents a bushel, up from 1932's all-time record low average of 28 cents. Oats brought an average of 88 1/2 cents per bushel, more than double 1932's 15.7 cents. Same for barley, which brought 48.4 cents per bu., up from 1932's record low 22 cent average. Cotton brought 10 cents per lb., up from the 6.7 cents of 1931 and 1932's 8 1/2 cents. Tobacco was up to 13 cents in 1932.

Peanuts brought 2.85 cents per pound, well above the 1.55 cents per pound average of 1932. Soybeans were above 1932's 54 cents per bushel average. Flaxseed was at \$1.63 per bushel. Nearly double 1932's 88 cents average.

Hay was up to \$8.09 per ton. It had been \$6.20 in 1932 (and the worst would come with 1938's \$1.20 per ton average). Of course, things got worse in some sections. Cattle averaged \$26.39 per head in 1932, but only \$19.74 in 1938. Hogs averaged \$6.18 per head in 1932, but only \$4.21 in 1938 and \$4.09 in 1934. The price of stock sheep fell to \$2.01 per head in 1933, the lowest since 1887's \$1.84 per head.

Dairy cows averaged \$29.18 per head in 1933, the lowest since 1887. Milk prices, at \$1.24 per hundredweight in 1933, milk retailed by farmers brought an average of 8.9 cents a quart in 1933, but only 8.6 cents in 1933 — an all-time low.

Horses were valued at \$53.48 per head in 1932 and \$54.12 a year later, the lowest since 1900 (they always brought more than horses).

Farm chickens were valued at 45 cents each in 1933 — the lowest since 1912's 42 cents. And farmers got only 9 1/2 cents (live weight) per pound for their chickens in 1933 — a record low. Eggs, which brought farmers an average of 29.8 cents per dozen in 1929, were down to 14.2 cents in 1932 and to a record low 13.8 cents average in 1933.

In those Good Old Days it was not unusual for us kids favorite hamburger joint to have a special, three for 26 cents. Our problem was it usually took four or five of us to pool our resources to raise that Quarter! We was all happy in spite of the fact we was all pore as church mice. What saved us was

Dates Set For LaRue's School

Dates for the two sessions of LaRue Douglas' annual school have been set for June 23-25 and July 28-30.

The school, open to only 55 students each session, will feature instruction and actual participation in selection, halter breaking, hair trimming, groom-

ing, show ring procedure for handler and animal, and show box and equipment work.

On Saturday, the public is invited for the field day program of judging and showmanship contests.

A new feature of the school will be a hoof trimming session on July 26 and 27 for adults only. The two days will be devoted to trimming feet only and each student will trim feet and receive individual help. The hoof trimming segment is limited to only 25 students.

For more information contact LaRue Douglas, LaRue's Cattle Service, Route 3, Box 194-D, Georgetown, TX 78626, 512/863-3988.

Lone Star Testing Center New Programs

Lone Star Testing Center of Wickett, Texas, in a never-ending effort to meet the needs of western cattlemen, announces the addition of two new programs.

The first is a Brahman Influence Breeds performance test and sale. Associations, who's origin includes the

Brahman breed. This will include breeds such as Beefmasters, Brangus, Braford, Santa Gertrudis, Red Brangus, and Brahman. Entries are now being accepted. Bulls will arrive at the test center on December 10, 1983. The sale will be held on March 17, 1984.

The second exciting event being added is a female sale in coordination with the annual Hereford sale on Feb. 25, 1984. All consignors to this upcoming sale and all previous Hereford sales are eligible to consign both bred and open females. Also eligible are all former buyers at past Hereford sales. Only registered heifers of the Hereford breed are eligible but commercial heifers of all breeds and crosses are welcome. PT's are encouraged.

Interested cattlemen are invited to get more information on these new events and the rest of the Lone Star Program by contacting Sam Massey Lone Star Testing Center, Box 518, Wickett, Texas 79788, phone 915-943-2217.

Kopper Penny Polled Herefords To Disperse

John Pierce, owner of the Kopper Penny Ranch, announced recently the complete dispersal of his Polled Hereford cow herd. The Kopper Penny Ranch is located four miles north of Cooper, Tex., in Delta County.

The sale will be held on September 5, 1983, Labor Day, at the ranch beginning at 10:00 a.m. Texas Polled Hereford Association will be the sale manager, with Jim Birdwell the auctioneer.

Over 260 head of top Polled Hereford mother cows, calves, and heifers will be offered for sale. The Kopper Penny Ranch has been a leader in performance tested bulls in the Northeast Texas area for some time. Bulls from this cowherd have been test leaders at Oklahoma Beef, Inc. and the Kilgore Bull Test Station.

Herd bulls and some herd bull prospects will be offered for sale in the dispersion.

Many of the cows offered in the sale will be bred to the Polled Nationals class winner, "Beartooth Breakthrough", of which Kopper Penny Ranch is a part owner.

For information on the sale, contact John Pierce in Cooper, Tex., or the Texas Polled Hereford Association, Rio Vista, Tex., 817/973-2624 or 373-2625. Catalogs will be available August 1st, 1983.

Brangus Breeder Announces Braler Cattle Venture

Dr. Richard E. Leigh of Thelidick Brangus Farms today announced a joint venture with L.F. McCollum of Scattered Oaks Ranch at Bleiberville, Texas in which Thelidick Brangus Farms will use their commercial herd as recipient cows for Braler embryos. The resulting calves will be used as foundation cattle in the development of the new breed of Braler Cattle (3/8 Brahman-5/8 Saler). Embryo transplants will be performed at the transplant facilities at both Thelidick Brangus Farms and at Scattered Oaks Ranch.

Dr. Leigh, a pioneer Brangus Breeder, states that he is extremely enthusiastic regarding the new Braler Breed as an opportunity to develop a breed of cattle that will improve red cattle just as the Brangus Breed has improved black cattle. Dr. Leigh also notes that the quality of the foundation cattle being used, both Brahman and Saler, is far higher than the quality of the foundation cattle available to the early Brangus breeder. Current foundation cattle being used include recent Champions of both the Brahman and the Saler breeds. Both the Saler cattle from France and the Red Brahman cattle derived from the 1948 importation of Indo-Brazil type Brahman will offer the cowman a totally new gene pool which will further enhance the hybrid vigor of crossbreeding. The cold hardiness of the Saler Breed and the heat tolerance of the Brahman Breed will combine to form the new Braler Breed which will be able to acclimate to a wide variation of climates. Earlier crosses now on the ground bear out the promise of the Braler Breed being "large framed, trim, well-muscled, fertile cattle."

Anyone with Beale cattle registered in the Beale Registry of the American Beale Association, World Beale Association or the International Beale Breeders Registry are invited to participate in these shows. All animals shown must be 1/4 blood Beale or higher. There will be five classes of breeding females and one class of breeding males.

Tom Martin, Richardson, Texas, will be Superintendent of the Beale show. For information on these shows please contact Roger Powell, President, Southwestern Beale Association, Rt. 2, Box 80, Frisco, Texas 76034, Ph. (214) 877-2815 or Tom Martin, 1820 Cheyenne Dr., Richardson, Texas 76080, Ph. (214) 881-1511.

Powell outlined plans for the Beale shows to be held in August in Denton and Greenville, Texas and extended an invitation to all Texas-Oklahoma Beale members to participate in the shows. Martin spoke to the membership of the Texas-Oklahoma Beale Association on unification with the Southwestern Beale Assn., Inc. Martin also encouraged a joint membership meeting and field days along with participation in Beale shows.

It was reported from both organizations that members are hopeful that the three national Beale Breed registries will unify in the next few months.

Members of the Texas Oklahoma Beale Association voted to hold a joint membership meeting with the Southwestern Beale Association, Inc. in Mid-September at Durant, Oklahoma. More information on this joint meeting will be available at a later date.
